[D]Now young Mr. [G]Moon flew [A]away in the [D]night  
[D]With his best friend [G]Magnus [A]right by his [D]side  
[D]They soared through the [G]Milky Way [A]counting the [D]stars  
[D]Once around [G]Venus, [A]twice around [D]Mars

Then [D]they spied an [G]island rise [A]out of the [D]sea  
[D]They fell back to [G]Earth just as [A]free as you [D]please  
[D]The children all [G]gathered the [A]church bells did [D]ring  
[D]Suddenly [G]everyone [A]started to [D]sing

From [D]out of the [G]oceans the [A]dolphins be[D]gan

[D]With his best friend [G]Magnus still [A]right by his [D]side  
[D]The sun was [G]arising, they'd be [A]home by [D]noon
