**STRUM: Touch**↓↑ **Touch**↓↑

**INTRO: /1, 2, 3, 4/ / [F]/[F]/**

**[F]** Full-time living on a half-time schedule  
**[Bb]** Always trying to make everybody feel special  
**[C]** Learning when to brake and when to hit the pedal  
Working **[Bb]** hard to look good 'til we **[F]** die  
**[F]** A critical reason there's a population  
**[Bb]** Raising eyebrows and a new generation  
**[C]** Rosie the Riveter with renovations  
And **[Bb]** always gets better with **[F]** wine

Re-**[Bb]**-designing women  
Running the **[F]** world while we're cleaning up the kitchen  
Making **[C]** bank, shaking hands, driving 80  
Trying to get **[F]** home just to feed the baby  
Skipping the **[Bb]** bread for the butter  
Changing our **[F]** minds like we change our hair color  
Yeah, **[C]** ever since the beginning  
We've been **[Bb]**↓ redesigning women

**[F]** Pulling up the floors and changing out the curtains  
**[Bb]** Some of us are saints and some of us are surgeons  
**[C]** Made in God's image, just a better version  
And **[Bb]** breaking every Jell-O **[F]** mold  
And when we love **[F]** someone, we take 'em to heaven  
And if the **[Bb]** shoe fits, we're gonna buy 11  
**[C]** How we get it done, we like to keep 'em guessing  
But **[Bb]** secretly, we all **[F]** know

Re-**[Bb]**-designing women

[F]How do we [Dm] do it? How do we [C] do it?  
Make it [Bb] up as we go [F] along  
How do we [Dm] do it? How do we [C] do it?  
Halfway [Bb] right and halfway [C] wrong
